Memo

Swamy Dass Pillé has had a service extending nearly over 20 years of which he has spent nearly 20 years under the municipality in various capacities, as Assessor, accountant & ~~Ste~~ and as such has a thorough insight into all departments of municipal work.

It would therefore seem appropriate that a man of his experience should after a long active service of over 20 years be put in charge of the general management of the office, whereas the present proposal of the Dr Comte is to ~~extract~~ transfer a worn out man of his stamp to the a ~~&~~ position requiring great physical & mental energy to put in a Comparatively young practical man new to municipal work in the position of General Manager of the office. This arrangement involves the additional anomaly of the more responsible

Re assistant to Accountant

In connection with the proposal to appoint Mr Swamy Dass Pillé to the post of Assistant to the Accountant, I am directed to say that the Council are unable to accept the recommendation of the Director of Commerce & Industries.

2. — The Council are of opinion that Mr Swamy Dass Pillé has been in the service of the Municipality for a sufficiently long period, and that he should be allowed to retire on the pension to which he is entitled.

3. — The Council are of opinion that the post of Assistant to the Accountant should be filled by the promotion of Mr [redacted] Brodie, who has been in the service of the Municipality for a sufficiently long period, and that he should be allowed to draw the salary attached to the post.

Memo.

Respectfully begs to submit that the Octroi Department in the City and in the Civil and Military Station Municipalities are working side by side inde pendent of each other and under different adminis- trations. Now and then questions arise whether a certain thing that should be done in the interests of the City Octroi, would in any way affect the other and vice versa. The Officer incharge of Octroi in the Civil and Military Station and the undersigned have to settle such things in comma

-nicatio

the with each other which
not unfrequent. This
obviates the course of cor
respondence between both
the Municipalities which
would otherwise be the case.
Under these circumst
it is very necessary that
the rank and position
of both the Octroi Officers
in the City and in the Station
Municipalities should be
equal; if not, it is feared
that the latter may look
upon undersigned as in-
ferior to himself in rank
for the simple reason that
while he is designated "Super-
intendant of Octroi", the
undersigned as only a
"Manager".
The undersigned

therefore respectfully submits that for purposes of better discipline this diminution may be removed by designating undersigned also as "Superintendent City Octroi".

Also begs to bring to notice that it is very necessary to keep a horse for the discharge of the work in the Octroi Department, in an efficient manner, and beg that a horse allowance may be kindly sanctioned. Undersigned has had no promotion for a very long time.

Begging to be excused for the liberty taken.
